Steve-

I will be back in Colorado on the 11th. Can meet down in Silverton the 12th or 13th.

Todd - **Personal Matters/Ex. 6** One thing we're looking at is temporary treatment/ settling ponds at Gladstone. The flow is substantially higher from the GK than before- so additional retention capacity is needed than the R n B.

I will be back in Silverton next week, and driving this weekend.
